Organiser Events

One World,One Planet. (TBD)

If the world is the one country (planet)

A moment of hope connecting from all over the world, where the sound and video equipment of the entire venue, as well as visitors' devices held, interlock and light up like the cells of a single large living creature.

Held every day after sunset during the Expo

Physical Twin Symphony

Harmonizing Humanity and Technology

The opening program of the Osaka-Kansai Expo. Experimental live entertainment in which people and technology co-create.

※This event was previously called “THE HUMAN ORCHESTRA” (TBD).

Scheduled to be held in the EXPO Hall
for 8 days from the opening day of the Expo

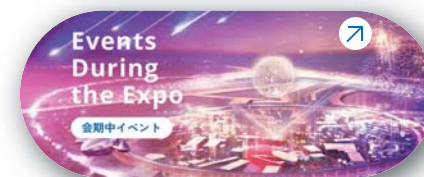

*Note: The above two are currently preliminary plans for the main events (proposals). Event content is subject to change.

What are National Days (ND) and Special Days (SD) ?

During the Expo, countries, regions and international organisations that officially participate in the Expo, known as “Official Participants”, will hold a National Day (for countries/regions) or a Special Day (for international organisations) on a designated day. National Days and Special Days are days to honour the participation of the Official Participants. They will be held to deepen the understanding of the culture of the Official Participants and to contribute to the promotion of international goodwill. On these days, distinguished guests from Japan and abroad as well as general visitors will be invited by the Official Participants to attend the ceremonies and cultural events, allowing them to experience and enjoy diverse cultures and traditions.

The titles and event contents are currently planned and may be subject to change without notice.
