I. Introduction

I-1. Purpose

The purpose of these Rules and Regulations is to ensure safety and maintain order at the Expo Site by stipulating prohibited items and prohibited acts at the Expo Site as a whole in accordance with Special Regulation No. 10 for the purpose of maintaining order and from the perspective of safety measures and security at the Expo Site.

I-2. Scope

These Rules and Regulations apply to all general visitors to the Expo Site, excluding the Organiser, Official Participants, and related parties.

I-3. Basic Concept

These Rules and Regulations use an indicator called "Control." Compliance by those subject to the Control indicators will help to ensure safety and maintain order in the Expo Site.

CO-0 Control indicates 'to do' and 'must do' matters and is defined as rules to be observed by persons subject to the scope of the application of these Rules and Regulations who enter the Expo Site, regardless of whether they are legally binding or not.

I-4. Legal Compliance, Etc.

When entering the Expo Site, the relevant Japanese laws and ordinances of Osaka Prefecture and Osaka City must be observed. In addition, if other guidelines, materials, or other relevant standards are presented by the Organiser in addition to these Rules and Regulations, they must also be observed.
