felissimore  
〈フェリシモット〉

“felissimore EXPO2025 STORE” offers a wide range of products that are full of originality. There are many products that will make you think “Oh I see!”, such as a pouch that looks like a soft and fluffy plush toy, or a cute umbrella that is in the shape of a jellyfish.

And furthermore!

We also have many exciting products exclusive to Expo 2025 Osaka, Kansai, Japan, so please come and visit us. We hope to bring you many more surprises, excitement, and smiles through an enjoyable shopping experience.

○ **URBAN RESEARCH EXPO2025 STORE** (Shop)

**UR**  
URBAN RESEARCH Co.,Ltd.  
すごいをシェアする

A sustainable, futuristic store that “shares the amazing” with the future.

URBAN RESEARCH’s definition of “amazing” is “inspiration” The inspiration that fashion gives us is the energy that drives us. By

sharing its great power, we can also change the world. We believe in the potential of fashion. Together with our customers, we want to share the “amazing” of today with the future and to share the “amazing” of the future with the present. With this in mind, we offer a wide range of clothing and sundry goods. We look forward to welcoming you to our shop.

▽ EARTHTABLE- Future Diner

Located next to the Forest of Tranquillity, this area contains food and beverage outlets that lead the way to the future of food.

○ **f fields** (Restaurant)

A wide range of vegetarian dishes are available, with a focus on plant-based foods that are designed to be tasty while minimising their impact on the global environment. The line-up includes plant-based soft serve ice cream made from rice koji milk and a menu that shows the potential of soy meat. We invite you to experience the diversity of food unique to the Expo.

▽ JAPAN Market

An area of bustling goods shops featuring local products, crafts and souvenirs with a sense of regional identity from all parts of Japan.

○ **Treasure Box, filled with Food Culture of Well Established Shops in Osaka** (Shop)

We aim to promote the “Osaka-ness” of Osaka-made products (“Osaka Mon”) throughout the country and to develop the brand of “Osaka.”

The techniques and production methods developed in Osaka, which is known as the “nation’s kitchen” or the “city of foodies”, have long been loved by Osaka residents.

This is an unprecedented opportunity to see so many of Osaka’s famous products in one place.. Please take advantage of this opportunity to enjoy the Osaka Mon specialities and the attractive assortment of goods.

▽ Futuristic Commercial Facilities

“Futuristic Commercial Facilities” are shops where visitors can experience new technologies and cultures related to food and beverages as part of the “Future Society Showcase Project.”

○ **7-Eleven West Gate / 7-Eleven Water Plaza**

(Shop, West Gate Marketplace & Water Plaza West Marketplace)  
Eco-friendly products and freshly prepared counter products will be available for customers to enjoy in addition to the standard onigiri, sandwiches, confectionery, beverages and sundries. We are also planning to demonstrate new technologies and the latest operational techniques, so please come and enjoy the shopping experience of the future.
