- When Reservations Are Accepted

Same-day reservations can be made starting at 0:00 on the day of use.

*Depending on circumstances, the start time may be earlier or later.

- How To Make A Reservation

Please make a reservation via “Times PARKING B”. (<https://btimes.jp/>)

*Note: This website is only available in Japanese.

- Membership registration for Times CLUB is required. (free)

- Payments are accepted by credit card or Apple Pay.

***Only credit cards that support the identity authentication service 3-D Secure 2.0 may be used.**

Please select a parking space and the time you plan to enter the parking lot.

For more details, click [here](#).

*Note: Information is only available in Japanese.

- No refunds will be issued for same-day cancellations.

- Please Note

- Parking lots may already be full due to reservations made in advance. If you would like to make a reservation prior to the day of your visit, please visit the page below.

<https://parking-reserve.expo2025.or.jp/en/>

- Discount rates do not apply to reservations made before the day of use. If you wish to receive the discounted rate, you must cancel your booking by 23:59 on the day before use and then make a new booking on your day of use.

- **Please be sure to complete your reservation prior to departure and enter the parking lot during your reserved time slot.**

Please respect local residents and businesses by not parking on the streets near the parking lots.

- Please use the designated exits on the Hanshin Expressway to be considerate of the impact on surrounding roads. (See the websites below).
