Planning Group Tours

If you are traveling to the site by tour bus, use the bus stop for clients (Yumeshima No. 2 Transportation Terminal). After your clients get off at the bus stop, buses can wait in the standby area (Maishima Expo Park & Ride Parking Lot) if needed.

— Points to Note When Using the Bus Stop and Standby Area

- You must make a reservation to use the group-tour bus stop or standby area at least one day in advance. Please ensure that you make a reservation.
- Please pay for the usage fees in advance by credit card.
- Please use the expressway to get to the parking lot. If you take the detour routes shown in the map below that avoid the designated expressway exits and central areas of the expressway, you can get a discount on the Expo Park & Ride fee after use. For details, please check the Expo Park & Ride Parking Reservation System.
- Please follow the local traffic rules when you visit the site.

For various reservations and detailed explanations, use the following reservation website links.
