Expo 2025 Osaka, Kansai, Japan

Overview of Event Facilities

Ver.2
December 2023 version

Overview of Event Facilities

This Overview of Event Facilities is current as of December, 2023. Please be aware that changes may occur in the future. Facility usage fees do not include facility maintenance fees (common service charges, etc.). Details will be provided once confirmed.

- Period of use: Sunday, April 13 to Saturday, October 11, 2025
* The Expo runs until Sunday, October 12
- Usage hours: 9am to 9pm
- Usage outside of normal hours: An out-of-hours usage charge is incurred for use before 9am and after 9pm.
- Application: We request that you include time for loading items in and out, for setting up or taking down, for rehearsals, etc. when applying.
* Time for bringing items in and out, for setting up or taking down, and for rehearsals may fall outside facility hours due to the organization of the event.
- Facility usage fees:

Tax included

※ All details listed in this document are current as of the time of publication, and are subject to change.

Overview of installed equipment

Stage equipment	Ladder hanging rod (large)	7 (length: 20,200 mm; automated height adjustment; load capacity: 1,000 kg)
	Ladder hanging rod (small)	3 (length: 6,000 mm; load capacity: 300 kg) Note: for ceiling lights
	Chain hoist	5 (automated height adjustment; load capacity: 2,000 kg)
	Point hoist apparatus	8 (automated height adjustment, manual operation; load capacity: 200 kg)
	Curtain	Swag curtain, tormentor curtain, background curtain, etc. Note: The hanging rods for stage set items will be used for background curtains.
	Modular stage	Currently under consideration (diameter 18,200 × height 900 mm (assembled stage))
Lighting	Network control rack	Stage right, stage left, control deck SC patch panel, switching hub, DMX node, control signal unit, various input and output connector panel, DMX-PWM signal transformer
	Light controller	4096 parameter (HTP/LTP) DMX 6 out / 1 in, 2 grand MA3 full-size, 1 guest seat light modulation controller, 1 simplified moving light controller, 1 stage side control panel
	Lighting	500 W LED Profile moving light (5 1-truss, 5 3-truss)
		28 LED Fresnel lens spotlights (equivalent to halogen 1.5 kW), white single colour
		7 LED ellipsoidal spotlights 300W (full colour)
		23 LED moving lights 850W
		24 LED moving lights 555W (wash)
		8 DMX nodes (LAN-DMX 4ch)
43 kW pin spotlights		
Accessory	Hangers, stands, operating rods	
Sound system	Proscenium speaker (front)	1 set of 2 × 9" 2-way line array speakers and subwoofer speakers
	Proscenium speaker (rear)	1 set of 2 × 9" 2-way line array speakers and subwoofer speakers
	Side speaker (front)	1 set of 2 × 9" 2-way line array speakers and subwoofer speakers
	Ground stack subwoofer	1 set of subwoofer speakers
	Front fill speaker	1 set of 5" 2-way powered speakers, 1 set of power amps
	Effects speaker	1 set of 2 × 8" 2-way powered speakers
	Stage sound equipment such as microphones	Wireless microphones (hand-held, pin, and head-worn microphones)
	Digital mixing console	Main console, monitor console, effects console
	Stage monitor speaker	1 set of 15" 2-way powered speakers and 12" 2-way powered speakers
	Operational sound equipment	1 set
Video equipment	Projector	Christie Griffyn 4K50-RGB 50,000 ISO lumens 1 set for projection mapping, 1 unit for front projection
	Server for projection mapping	1 set
	Video-related equipment	1 set
	Camera equipment	1 set
	Video distribution equipment	1 set, Note: equipment currently under consideration

Overview of Event Facilities

Overview of installed equipment

Overview of installed equipment		
Stage equipment	Hanging rod for stage set items	7 (length: 20,000–24,000 mm; load capacity: 300 kg)
	Proscenium suspension truss	1 (length: 24,000 mm; load capacity: 600 kg), for lighting
	Suspension truss	3 (length: 20,000–24,000 mm; load capacity: 600 kg), for lighting
	Upper horizon light	1 (length: 12,000 mm; load capacity: 300 kg)
	Ladder hanging rod	4 (width 1,800 × height 2,000 mm; load capacity: 250 kg), for lighting
	Swag curtain	1 (width 24,000 × height 1,500 mm)
	Centre-parted grand drape	1 pair (width 34,000 × height 8,500 mm), automated opening and closing
	Border curtain	4 (width 20,000–24,000 mm × height 1,500 mm), 3 of which are hung with multiple suspensions
	Leg curtain	3 pairs (width 5,000 × height 8,500 mm)
	Traveller curtain	1 pair (width 26,000 × height 8,500 mm)
	Horizon curtain	1 set (width 11,000 × height 8,000 mm), automated wind-lifting

B EXPO National Day Hall (former name Event Hall 2)

※The information is based on current plans. The information is subject to change in the future.

Lighting	Proscenium hanging rod	2 D-type 20A, DMX port
	Lighting truss hanging rod	1 C-type 30A, 2-4 D-type 20A, DMXポート
	Upper horizon hanging rod	2 D-type 20A, DMX port
	Ladder hanging rod	Downstage and upstage on stage left, and downstage and upstage on stage right: 1 D-type 20A respectively, DMX port
	LED full colour zoom PAR light	30
	LED PAR light	33
	LED moving wash light	33
	LED moving spotlight	10
	LED horizon light	12 upper, 12 lower
	Follow pin spotlight	2 (xenon 2 kW)
	Light modulation controller	1 set
	Stage side controller	1 set
	Accessory	Floor stands, based lighting stands, hangers, carbon control rods

Sound system	Main speaker L/R	1 set of 2-way line array speakers, 1 set of subwoofers
	Central speaker	1 set of 2-way line array speakers (1 6.5-inch LF, 1 1-inch HF)
	Lip fill speaker	1 set of 2-way speakers (2 4-inch LF, 1 0.5-inch HF)
	Monitor speaker	1 set of 2-way speakers (1 12-inch LF, 1 3-inch HF)
	Side fill speaker	1 set of 2-way speakers (1 15-inch LF, 1 3-inch HF), on stands
	Outdoor speaker	1 set of full-range speakers (rain-proof)
	Digital mixing console	Input: 64 mono + 8 stereo, tablet controller
	CD/memory deck	2
	Wireless microphone	1 set in hand-held form, 1 set in pin form
	Microphone	Dynamic microphones, various condenser microphones; 4 DI boxes
	Microphone stand	K&M; desk, straight, boom, mini-boom
	Intercom	1 set

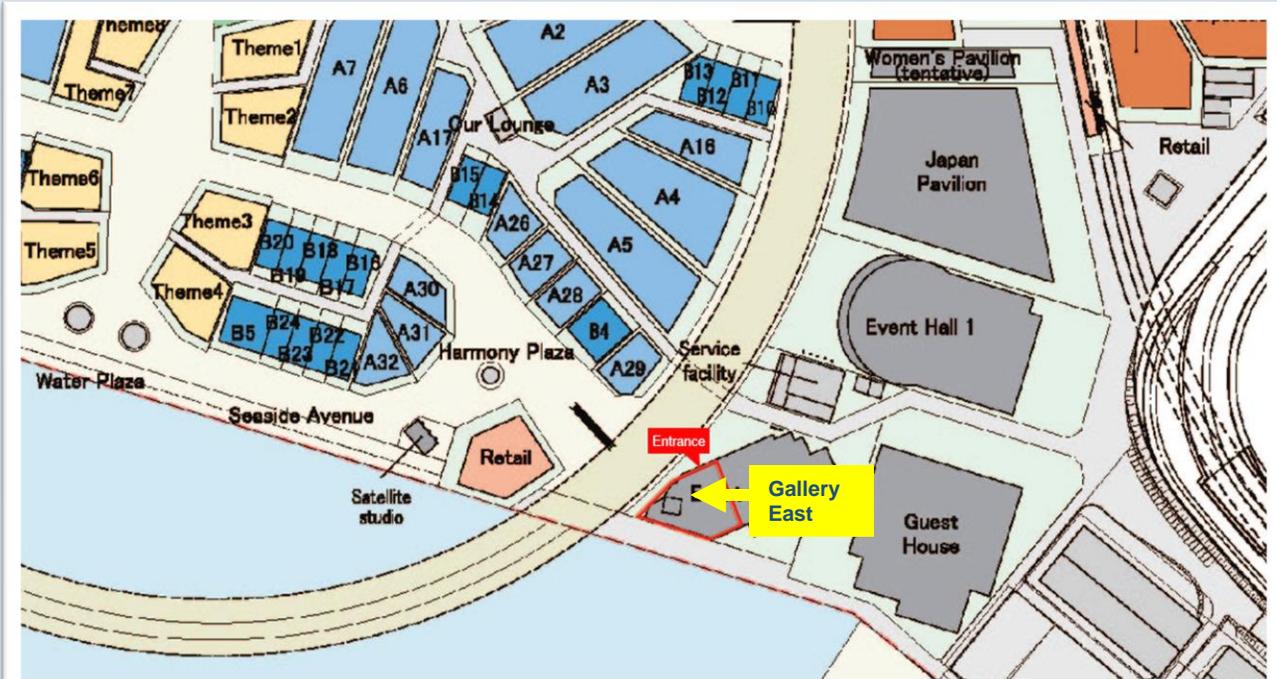

Video equipment	LED display	Details undecided
	Switcher	1 set
	VTR player	2; 4K-compatible
	Sound mixer	1 set
	Camera equipment	2 sets of 4K cameras
	Video distribution equipment	1 set, Note: equipment currently under consideration
