

1. Exhibition design materials for Type A Submission Information

Basic Approach of this Guide

- 1、A reminder of the EXHIB design materials Submission in accordance with **Special Regulation No. 1 and 2.**
- 2, Please submit for **the prior approval** of EXHIB CONST and Operation Plan and **the Smooth completion inspection** after CONST completion.
- 3, Please submit EXHIB concept and methods, which you will be submitting for Materials for **Special Regulation No. 14 Reward (medal) System.**

Roadmap of participation plan for PAV type A

This is the info. we'd like to present to you.

Exhibition design materials for Type A Submission Information

1. EXHIB design plan materials

- **EXHIB not indicated on the architectural DWGs**

and areas for public access are subject to the submission required.

For general EXHIB, please submit the materials of items with * mark.

- (1) **The layout** of facilities defining the **interior and exterior** of the pavilion *
- (2) **Signage** (pavilion name, etc.) indicated in CONST elevation plans *
- (3) Design plan showing the EXHIB **graphics, wall decorations** *
- (4) Design plan for the **EXHIB lighting, audio-visual EQUIP, machinery**, etc.
(* only when applicable)
- (5) The layout of the **commercial area** (shops, kitchen, food and beverage area)

- (6) Operation plan showing **visitor flow and queue areas, evacuation route** map *
- (7) **Universal Design GL** checklist *
- (8) **Schedule for EXHIB CONST** and demolition, etc. *
- (9) Perspective **sketch** (optional)
- (10) Please attach **the theme statement and concept** materials you have already submitted *

**Staff areas are not subject to the submission required,
but please submit any DWGs you have shown in prior discussions of your EXHIB
plans with the fire department.**

If you have special EXHIB facilities, please consider the following.

(1) Design materials for special EQUIP

- a. Structures that require App for BLDG PRMT (monuments, etc.,
EQUIP and machinery (turntables, lifting devices, etc.))
- b. Special EXHIB (smoke machines, lasers, productions using open flames, etc.)
- c. Restaurant kitchens (including staff kitchens) (heat sources, fire protection areas,
ventilation, sanitary EQUIP, etc.)

This is requested in accordance with **Special Regulation No. 5**
(The installation and operation of **machines, apparatus and EQUIP** of all types)

2. Confirmation items for submission

- **Submission of records of consultations with the competent authorities**

(1) Please submit the **records** below and **report** on the status of discussions with each government agency or institution. (Meeting records, minutes, permits, certificates, etc.)

① Consult with **the fire department** in advance and obtain their consent

② Business permit from **the public health centre** (if there is a commercial food and beverage area)

③ Notification of **App for building permit** (when CONST confirmation is required for the structure)

(2)Others Notes

① **EXHIB CONST must comply with the relevant laws and regulations of Japan, as well as the ordinances of Osaka Prefecture and City.**

(See the laws and regulations, etc. listed in the Design GL and CONST and Demolition Work GL.)

② **After submission of the EXHIB Design Plan, we will reply within 7 days,
No Prob, we will issue a Permit for Commencement of EXHIB CONST.**

If CONST is required to commence partially, submissions will be accepted in advance.

③ **When the Participant undergoes an inspection by government agencies after EXHIB CONST is completed, the Organiser OSS will be present and issue an **EXHIB user's permit** within 7 days based on the results.**

3. Schedule and method of Design Plan submission

- (1) There are **no specific timeframe or deadline restrictions for submitting** design materials.
Please submit them once your EXHIB design **has been concretely decided**.
No need to submit the basic Design Plan, **just one submission of the Final Design Plan**.
- (2) Please submit **via the Related Persons portal**.

Universal Design GL checklist for the EXHIB in Type A

For UDGL Checklist, please use the Excel data of the checklist created in the 2nd CONST final design submission and check **the items to be changed or added depending on the EXHIB design.**

Please refer to the items to note for the EXHIB indicated on next slide.

UD GL checklist - List of items to note in EXHIB

Please note these items.

3-1. Passageways on plot
(outdoor)

3-2. Doorways

3-10. Guest seating

3-12. Food, beverage, and merchandise areas
(cafeterias, restaurants, merchandise stores, etc.)

3-13. Display boards (signs)

3-14. Guiding tiles and other assistance for people with visual impairment

3-18. Fixtures and EQUIP (handrails, counters, vending machines, etc.)

3-19. Interior design (interior decorations, EQUIP, and other arrangements)

3-3. Corridors etc. (indoor)

3-4. Stairways

3-5. Slopes

3-8. Platform lifts

Please add the left to a copy
of the sheet for the CONST
on the Excel data of the
checklist.

(created for the 2nd final
design submission in
CONST)

How to fill out the application for submission

Please check the box for the type of DWG you are submitting

Please check all applicable reporting items

Type A Exhibition Design Plan Application

Official Participant Name: _____ Exhibition area: _____
Plot number: _____

We would like to submit the following exhibit design documents. (Please tick the checkbox.)

- The layout of facilities defining the interior and exterior of the pavilion
- Signage (pavilion name, etc.) indicated in construction elevation plans
- Design plan showing the exhibition graphics, wall decorations
- Design plan for the exhibition lighting, audio-visual equipment, machinery, etc. (visual performance, equipment plan, etc.) (only when applicable)
- The layout of the commercial area (shops, kitchen, food and beverage area)
- Operation plan showing visitor flow and queue areas, evacuation route map
- Universal Design Guideline checklist
- Schedule for exhibition construction and demolition, etc. (You may also write this on the construction schedule)
- Perspective sketch (optional)
- Theme statement and concept materials you have already submitted

Design materials for special equipment (when applicable in the following)

- Structures that require application for a building permit (monuments, etc., equipment and machinery (turntables, lifting devices, etc.))
- Special exhibits (smoke machines, lasers, productions using open flames, etc.)
- Restaurant kitchens (including staff kitchens) (heat sources, fire protection plots, ventilation, sanitary equipment, etc.)

Please submit electrical equipment plan, fire and disaster prevention equipment plan, etc.
Items to be reported when submitting (check the box and attach meeting records, minutes, etc.)

- Consult with the fire department in advance and obtain their consent
- Business permit from the health centre (if there is a commercial food and beverage area)
- Application for a building permit, notification of a building permit (when construction confirmation is required for the structure)

By submitting the above documents, we hereby apply for permission to commence exhibit construction for this scope of work.

Designer: _____ Either exhibition designer or construction designer will be okay

Commissioner General of Section/Agent: _____

Application Date (Submission Date): _____

If you are submitting a prior partial application, please write the number of the application

If you are submitting a partial application, please write the scope of your EXHIB

Either EXHIB designer or CONST designer will be okay

Commissioner General of Section/Agent:

Please download **the application** form here.
