INDIA TRADE PROMOTION ORGANISATION

No. ITPO/TDMD/Expo 2025/C& D(I)/2023

Date: 16.03.2023

SECTION I: NOTICE INVITING TENDER

India Trade Promotion Organization (“ITPO”) has been entrusted with the task of setting up a ‘Type A’ pavilion for India (“**India Pavilion**”) at the World Expo 2025 to be held from 13th April 2025 to 13th October 2025) at Osaka, Japan (“**Expo**”), on behalf of the Government of India to showcase India comprehensively at the world stage. For this Purpose, a plot admeasuring 3513.39 sq.mtrs. (27mtrs X 110 mtrs) has been allotted to ITPO in the ‘Saving Lives’ zone (“**Site**”) located in **Yumeshima, Osaka**. Yumeshima is an artificial island located on the waterfront in Osaka that offers visitors a view of the Seto Inland Sea. With an area of 1.55 sq. km, the venue will have a pavilion area at its centre, with water in its southern part and greenery in its western part. The details of the Expo can be accessed at www.worldexpo.or.jp

The tentative project cost is approximately Rs.400 Crores.

The theme of the Expo is “**Designing Future Society for Our Lives,**” and the sub-theme is “**Saving Lives**”. Our aim is to create a world-class exhibition pavilion depicting ‘grandeur’ as an architectural icon, complemented by modern facilities representing the spirit of the Expo.

For the above said Purpose, ITPO invites bids from project management consultants (“**PMC**”) having experience in supervising civil engineering projects and preparing architectural designs for civil projects.. The PMC will be selected based on two criteria, (a) the capability to work as a PMC and (ii) experience in undertaking architectural design projects. The above criteria can be fulfilled as a single entity or through a joint venture (“**Consortium**”). The scope of Services to be undertaken by the PMC is set forth in Section V, Clause 13. The broad responsibilities to be undertaken by the PMC include the following:

1. preparing the concept plan, detailed design, structural drawings, working drawings, etc. for setting up the India Pavilion;
2. assisting ITPO in selecting and on-boarding:
 - (i) a construction agency (“**Construction Agency**”) for undertaking the construction of the India Pavilion; and
 - (ii) an event management agency (“**EMA**”) for operating and managing the India Pavilion on a day-to-day basis, including engaging staff, security, interpreters, etc.

The Construction Agency and EMA are collectively referred to as “**Agencies**”.

by preparing the bid documents including request for proposal ("**RFP**"), evaluating the bids received, assisting ITPO in the final selection, facilitating execution of necessary agreements, etc.

3. supervising the works undertaken by the Agencies, which shall include:
 - (i) In respect of the Construction Agency:
 - (a) ensuring adherence to parameters/ specifications, timelines and quality;
 - (b) carrying out period inspections;
 - (c) advising ITPO on release of payments in accordance with the relevant contracts;
 - (d) supervising interior design;
 - (e) monitoring demolition/ dismantling and disposal of the India Pavilion, including the structure, interiors, exhibits, etc. and restoration of the Site to its original condition, and handing over of the Site to the relevant authorities;
 - (f) managing and coordinating with the relevant Japanese authorities.
 - (ii) In respect of the EMA:
 - (a) ensuring the maintenance and upkeep of the India Pavilion;
 - (b) ensuring that the required and agreed exhibits and artefacts are provided/ arranged by the EMA at the India Pavilion;
 - (c) working in close coordination with the EMA to ensure adherence to the terms of contract and its scope of work.

The detailed scope of Services is set forth in Section V, Clause 13 of Section 5 below.

While submitting the Proposal, the applicant ("**Bidder**") shall ensure to submit the latest income tax clearance certificate and contract/ sales tax and service tax clearance certificates.

Further, the Bidder will be required to submit at least one and a maximum of three concept designs at the time of submission of bid. The Bidder will have to submit its Technical Proposal and Financial Proposal and make a detailed presentation to the Competent Authority at ITPO.

The Proposals can be submitted latest by 5 p.m. on 9th May, 2023 ("**Submission Closing Date**"), along with the earnest money deposit of Rs.50 Lakhs ("**EMD**") as per the instructions specified in this Tender, which shall be an interest free refundable amount. The EMD of the Selected Bidder shall be adjusted in the Security Deposit.

ITPO reserves the right to reject any or all the bids at its discretion, without assigning any reason whatsoever at any point of time.

Authorised signatory of ITPO

SECTION II: DISCLAIMER

1. The information contained in this e-tender ("**Tender**"), or any other information provided to the Bidders, whether verbally or in writing or in any other form, by or on behalf of India Trade Promotion Organisation ("**ITPO**") and its employees or advisors is provided to the Bidders on the terms and conditions set out hereunder. The information in the Tender is being provided for the limited purposes of enabling the Bidders to submit a Proposal and for no other purpose. In no circumstances shall ITPO, or its Chairman and Managing Director ("**CMD**"), Executive Directors ("**ED**"), consultants, contractors, officers and/or employees incur any liability arising out of or in respect of the issue of this Contract Document, the contents hereof or the Bid process (defined hereinafter).
2. This Tender is being made available by ITPO to the Bidders on the terms set out Tender herein. The possession or use of this Tender in any manner contrary to any Applicable Laws or for any purpose other than as specified in this Tender is expressly prohibited. Bidders shall inform themselves of and shall observe any and all Applicable Laws. This Tender is issued upon an express understanding and agreement that the Bidders shall use it only for the purpose of preparing and submitting their Proposal and for no other purpose.
3. This Tender includes statements which reflect various assumptions and assessments arrived at by ITPO and its advisors. Such assumptions, assessments, statements and any other information in this Tender do not purport to contain all the information that the Bidders, their directors, consultants, contractors, officers, employees, agents and/or advisors would desire or require in reaching a decision as to the submission of the Proposal. This Tender is a summary of available information and no reliance shall be placed on any information or statements contained herein, and no representation or warranty, expressed or implied, is or will be made in relation to such information and no liability is or will be accepted by ITPO, or its CMD, ED, consultants, contractors, officers and/or employees in relation to the accuracy, adequacy or completeness of such information or statements made, nor shall it be assumed that such information or statements shall remain unchanged.
4. The information in this Tender does not purport to be comprehensive or to have been independently verified. Nothing in this Tender shall be construed as legal, financial or tax advice. ITPO shall not be liable for any cost, expense, incurred by the Bidders in connection with the preparation of the Proposal. ITPO reserves the right to update, amend or supplement this Tender and/or any information contained herein at any time by notice, in writing, to the Bidders.
5. Neither the information in this Tender nor any other written or verbal information, in relation to the process set out in the Contract Document for the

award of Contract (defined hereinafter), is intended to form an agreement or the basis of or the invitation/inducement for any investment activity or any decision to enter into any contract or arrangement in relation to the award of the Contract and should not be relied on as such.

6. Nothing in this Tender is, nor shall be relied upon as, a promise or representations to ITPO's ultimate decision in relation to the award of the Contract or otherwise. The Bidders shall not, therefore, have the opportunity to revise their Proposal following submission, except as provided in this Tender. However, ITPO reserves the right to change the basis of or the procedures (including the Bid Process Schedule) relating to the selection process, reject any, or all, of the Proposal, not to invite Bidders to proceed further, not to furnish the Bidders with any additional information nor otherwise to negotiate with the Bidders in respect of the Contract.
7. Nothing contained in this Tender shall be considered as an assurance, representation or guarantee of any amount of business or prospect of business. The Bidders are advised to undertake independent studies, investigations and analysis and to exercise due diligence and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, statements and information contained in the Tender before relying on the data, projections and other details contained in this Tender or as may be provided by ITPO during the Bid Process and before submitting their respective Proposal in response to this Tender.
8. No person other than officials authorized by ITPO to give any information or to make any representation not contained in this Tender and, if given or made, any such information or representation shall not be relied upon unless as having been so authorized.
9. Nothing contained in this Tender is, or shall be relied upon as, a representation of fact or promise as to the future. Any summaries or descriptions of documents or contractual arrangements contained in any part of this Tender are only indicative and cannot be and are not intended to be comprehensive, nor any substitute for the underlying documentation (whether existing or to be concluded in the future) and are in all respects qualified in their entirety by reference to them.
10. Prior to submitting the Proposal pursuant to this Tender, the Bidders shall conduct due diligence of the proposed site, relevant rules and regulations guiding the same and all other information relevant and related thereto at their own costs and risk. In this regard, the Bidders are requested to study and exercise due diligence on their part, before submitting their Proposal.
11. The Bidders shall bear their own costs associated with or relating to the preparation and submission of their bids, including copying, postage, delivery charges and expenses associated with any demonstrations or presentations

which may be required by ITPO, or any other costs incurred in connection with or relating to their bids. All such costs and expenses will be borne by Bidders, and ITPO and its employees and advisors will not be liable in any manner whatsoever for such costs and expenses, regardless of the conduct or outcome of the Bid Process

12. This Tender outlines ITPO's expectations in relation to the Proposal to be submitted by the Bidder. No legal or other obligation shall arise in ITPO's name unless and until the Contracts identified by ITPO have been formally and validly executed and any conditions to the effectiveness of such Contracts have been fulfilled.
13. Each Bidder must rely on the terms and conditions contained in the Contract, if and when finally executed, subject to such limitations and restrictions which may be specified in such Contracts. Any reference to this Tender in any such Contract or any correspondence between ITPO and the Bidder shall not be construed as this Tender forming part of such Contract.
14. The information given by ITPO to the Bidders herein in relation to the India Pavilion at Osaka is indicative and has been provided for reference only and ITPO does not affirm or confirm for the accuracy or correctness of such data. It is the responsibility of the Bidders to verify such information/data.
15. Each Bidder's acceptance of delivery of this Tender constitutes its agreement to, and of acceptance of, the terms set forth in this Tender. By acceptance of this Tender, the recipient agrees that this Tender and any information herewith supersedes document(s) or earlier information, if any, in relation to the subject matter hereof.
16. ITPO may conduct the Bid Process as set out hereunder by itself, or through or with the assistance of any one or more of its advisors and agencies. The Bidder(s) consent to ITPO sharing the Proposal and all other information as may be provided by the Bidder(s) during the Bid Process and thereafter, with such advisors and agents. It is clarified that evaluation and selection of the Selected Bidder shall be made by ITPO at its sole discretion and that ITPO shall not be bound by any opinions or observations of its advisors or agents.
17. No extension of time shall be granted under any circumstances to any Bidder for submission of its Proposal including, but not limited to, on the grounds that the Bidder did/ could not obtain complete set of the Tender, or on any other ground(s), unless otherwise provided in this Tender.
18. The courts at New Delhi, India shall have the exclusive jurisdiction to entertain, hold trial, and adjudicate upon any dispute in relation to the Tender, Bid Process or any other aspect in relation thereto.

19. This Tender and all the Bidders participating in the Bid Process shall be subject to the laws of India.
20. The Bidder shall be wholly responsible for any statements/documents/ records, etc. submitted pursuant to this Tender and ensure accuracy thereof. ITPO or its employees shall accept no responsibility or liability for any deficiency that may be made by the Bidder. Any false declaration made by the Bidder shall invite action as may be decided by ITPO including termination, debarring the Bidder, forfeiture of EMD and/or Security Deposit, if any. The Bidder shall also indemnify ITPO against any losses suffered by ITPO on account of the Bidder.

SECTION III: INSTRUCTIONS TO BIDDER

The Bidders are required to submit their Proposals electronically on the CPP Portal, using valid Class II or Class III digital signature certificates with signing key usage (“**DSC**”). The instructions given below are meant to assist the Bidders on the CPP Portal, prepare their Proposals in accordance with the requirements and submit their Proposals online on the CPP Portal.

Further information regarding submission of Proposals on the CPP Portal (defined below) may be obtained from: <https://eprocure.gov.in/eprocure/app>.

A. Registration

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL:<https://eprocure.gov.in/eprocure/app>) (“**CPP Portal**”) by clicking on the link “Online bidder Enrollment” which is free of charge.
2. As part of the enrolment process, the Bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process as these would be used for further communication..
4. Upon enrolment, the Bidders will be required to register their valid DSC issued by any certifying authority recognized by the Controller of Certifying Authorities, India (e.g. Sify/ nCode/ eMudhra, etc.), along with their profile.
5. Only one valid DSC should be registered by a Bidder. Bidders are cautioned against lending their DSC to any other entity/ person to avoid any misuse. It is clarified that ITPO will not be responsible or obliged to entertain any requests based on such misuse of DSC.
6. Bidders will then be required to log on to the site through the secured log-in by entering their user ID/ password and the password of the DSC/ e-Token.

B. Searching for Tender Documents

1. After completing the registration and logging in, the Bidders can find the Tender. There are various search options built in the CPP Portal, to facilitate bidders to search active Tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for Tenders, wherein the bidders may combine number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a Tender published on the CPP Portal.
2. Once the bidders have selected the Tenders they are interested in, they may download the required documents / Tender schedules. These Tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to

intimate the bidders through SMS / email in case there is any corrigendum issued to the Tender document.

3. The bidder should make a note of the unique Tender ID assigned to each Tender, in case they want to obtain any clarification/ help from the Helpdesk.

Suggested Alternative:

“Tender Documents

1. *This Tender is accompanied by certain annexures/ schedules, etc. which can be found on the website along with this Tender. It is suggested to download the Tender (with all annexures/ schedules) and move this Tender to the “My Tenders” folder for ease of reference in future. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the this Tender document.*
2. *The Bidder is advised to make a note of the unique Tender ID assigned to this Tender for future reference and record. The said unique Tender ID may also be relevant and required to be quoted when seeking any assistance/ clarification from the helpdesk.”*

C. Preparation of Proposal

1. Bidders should comply with the requirements of corrigendum, if any, published in respect of this Tender and submit the Proposal accordingly.
2. Bidders are advised to carefully and thoroughly read the Tender advertisement and this Tender to ensure that all required documents and details are submitted in the Proposal. The Bidders must adhere to the specifications with respect to the number of covers/ envelopes in which the Proposal has to be submitted, the number of documents – including the names and content of each of the document that need to be submitted, etc. Any deviations from the prescribed requirements may lead to the rejection of the Proposal.
3. Bidders are advised to prepare and keep the Proposal and relevant documents ready for submission and endeavour to submit them at the earliest, prior to the Submission Closing Date. The Proposal and the documents can be submitted in in PDF/ XLS/ RAR/ DWF/ JPG formats and should be scanned with 100 dpi in black and white.
4. To enable Bidders to avoid delay in submission due to excess traffic on the website or the time generally taken to upload documents, a provision for advance uploading of standard documents (generally required at the time of bidding) such as PAN card, annual reports, auditors’ certificates, etc. has been made. To take advantage of the above provision, the Bidders can log in and go to “My Space” or

“Other Important Documents” tab and upload such documents. Once uploaded, these documents can be directly submitted from the “My Space” tab while submitting the Proposal, and may not be required to be uploaded again.

D. Submission of Bids

1. Bidders are advised to log in to the site well in advance to ensure that the Proposal is submitted on time. ITPO will not be responsible for any delays or inability of the Bidder to submit the Proposal on time, for reasons including but not limited to traffic on website or technical issues with the website.
2. Bidder will be required to digitally sign and upload the required documents, as indicated in this Tender, one by one..
3. The “Offline” payment option should be selected while paying if the EMD is being paid through demand draft/ other acceptable instrument, and the details of the instrument should be filled in.
4. Bidders are required to deposit the EMD as specified in this Tender. The original instruments/ receipts of payments, etc. should be submitted physically, latest by the Submission Closing Date. The receipts/ documents reflecting the deposit of EMD (as submitted online) shall be furnished in original, latest by the Submission Closing Date. The details of the demand draft/ any other accepted instrument, physically sent, should tally with the details available/ documents submitted online and correspond with the details entered during the submission of the Proposal. The documents, as stated above, sent physically shall be addressed to ED(Projects), India Trade Promotion Organisation (ITPO), Pragati Maidan, New Delhi-110001, and the front of the envelope should bear the words **“COMPREHENSIVE PROJECT MANAGEMENT SERVICES FOR THE CONSTRUCTION OF THE INDIA PAVILION AT WORLD EXPO 2025 AT OSAKA, JAPAN”**, in capital letters, written with permanent ink. Any Proposals, not accompanied with the EMD and its relevant details in the prescribed format shall be summarily rejected.
5. The Financial Proposal must be submitted in the format prescribed at Annexure II (**“BOQ Form”**) and no other format. To submit the Financial Proposal in the standard BoQ Form provided at Annexure II, the BoQ form will be required to be downloaded and the white colored (unprotected) cells will be required to be filled in with the financial quote and other respective details (such as name of the Bidder, etc.). The other cells should not be changed. Once the details have been filled in completed, the Bidder will be required to save the form and submit it online, without changing the filename. If the BoQ file is modified by the Bidder, the Proposal will be rejected.
6. The server time (which is displayed on the Bidders’ dashboard) will be considered as the standard time for referencing the deadline for submission of the Proposal by

the Bidder, opening of Proposals, etc. The Bidders are advised to keep a track of the time displayed while submitting the Proposal.

7. All the Proposal submitted by the Bidders will be encrypted using PKI encryption techniques to ensure confidentiality of data and cannot be viewed until the Proposals are opened by ITPO. The confidentiality of Proposals is maintained using the secured Socket Layer 128 bit encryption technology, ensuring data storage encryption of sensitive fields. Any Proposal that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys.
8. The uploaded Proposals can be read only after the Proposals are opened by the authorized personnel of ITPO.
9. Upon the successful and timely submission of the Proposal (i.e., after clicking the "Freeze Bid Submission" button on the CPP Portal), the CPP Portal will display a successful bid submission message and the bid summary will appear on the screen, mentioning the Proposal No. And the date & time of submission of the Proposal with all other relevant details.
10. The Proposal summary will serve as the acknowledgement of the submission of the Proposal. It is advisable to print the same. This acknowledgement may be required at the time of entry and be used as an 'entry pass' to attend Proposal opening meetings.

E. Assistance to Bidders

1. Any queries relating to the Tender and its terms and conditions should be addressed to the Tender Inviting Authority or the relevant contact person as may be indicated in this Tender.
2. Any queries relating to the process of online submission of Proposal or queries relating to the CPP Portal may be directed to the 24x7 CPP Portal helpdesk.

1. INTRODUCTION

- 1.1 World expos are organized every five years. In the year 2020, a world expo was held in Dubai, UAE and in 2015, it was held at Milan, Italy. A country showcases itself and its progress through such events. The Expo 2025 is scheduled to be held from 13th April 2025 to 13th October, 2025 at Yumeshima, Osaka, Japan, in which area of 3513 Sqm. Has been allotted to ITPO for the construction of India Pavilion.
- 1.2 The theme of the Expo is “**Designing Future Society for Our Lives**” and the sub-themes are “**Saving Lives**”, “**Empowering Lives**”, “**Connecting Lives**”. The Government of India intends to have a strong, noticeable presence at such events to showcase the rapid strides undertaken by it and its varied achievements, more so in the recent times, reflecting on its emergence as a major global player in designing the society of the future. It is proposed to create a world class exhibition pavilion with grandeur and excellence, as an architectural icon complemented by modern facilities representing the spirit of this Expo. It is proposed to depict both traditional and modern India in the India Pavilion and relate these to the theme and the sub-theme while simultaneously demonstrating peaceful coexistence of nature and developments undertaken by mankind.
- 1.3 The theme and sub-themes in the India Pavilion may be reflected through various media including a seamless combination of audio-visual, computer generated information, touch screens, models and physical depiction. Live demonstration of art and culture would be undertaken as decided by ITPO in collaboration with ICCR, the Ministry of Culture and other stakeholders.

2. GUIDING PRINCIPLES

- 2.1 The India Pavilion will be a temporary structure which will be dismantled after the completion of the Expo within a period of 5 months from the last date of the Expo.
- 2.2 The organizers of the Expo aim to achieve the following goals through theme content development:
 - i. To elevate the public awareness of the challenges in the ‘urban age’ and identify the potential solutions.
 - ii. To facilitate the conservation of the heritage of our cities; to raise public awareness of healthy urban development.
 - iii. To disseminate concepts, successful practices and innovations in sustainable urban development; to seek models for developing countries.

- iv. To enhance the communication and understanding within human society.

3.ZONING OF THE PAVILION WORLD

- 3.1 The site of the Expo is Yumeshima which an artificial island located on the waterfront in Osaka that offers visitors a view of the Seto Inland Sea. With an area of 1.55 sq. kms., the venue will have a pavilion area at its centre, with water in its southern part and greenery in its western part.
- 3.2 Pavilions for official participants and other facilities will be spread across three zones according to their relationships with the subthemes:

- a) **Saving Lives;**
- b) **Empowering Lives; and**
- c) **Connecting Lives**

- 3.3 Expo Authorities have earmarked a plot admeasuring 3513 sq. m. (approximately 27 m. X 110 m.) for the India Pavilion in the 'Saving Lives' Zone. A Site Plan of the Expo 2025 is enclosed at **Annexure-III**.

3.3.1 Space utilization in the Pavilion:

- Thematic area as per the specified theme and sub-theme;
- Space for display of exhibits (including a small exhibition area which will be changed periodically for various Indian states);
- Area for commercial use (20% of the total constructed area) which will include shops and eateries;
- Office space, VIP lounge, meeting room for □orksit. 20 persons;
- Store room, stage for programs, green room, reception;
- Holding area;
- Crowd movement corridor(s);
- Public convenience;
- Landscaping, etc.

For further details, please visit www.expo2025.or.jp.

- 3.3.2 The design shall, in addition to its iconic stature, uniqueness, compatibility with the theme, complementarity with the Indian ethos, and rapid strides in recent times will also be evaluated on the environmental performance of a building, including the environmental load (load reduction) and improvement of the environmental load of building itself (quality). The parameters for the same as defined by Expo Authorities are mentioned in the table below:

(A) It has full power and authority to execute, deliver and perform its obligations under this Agreement and to carry out the transactions contemplated hereby.

(B) This Agreement constitutes its legal valid and binding obligation enforceable against it in accordance with the terms hereof.

(C) It is subject to Laws of India with respect to this Agreement and it is hereby expressly

and irrevocably waives any immunity in any jurisdiction in respect thereof.

(D) There are no actions, suits, proceedings or investigations pending or to the Project Management Consultants knowledge, threatened against it at law or in equity before any court or other judicial, quasi-judicial or other authority the outcome of which may result in the breach of or constitutes a default of the Project Management Consultant under this Agreement or materially affect the discharge by the Project Management Consultant or its obligations under the Agreement.

(E) No representation or warranty by the Project Management Consultant contained herein or any other document furnished by the Employer contains or will contain any untrue statement of material fact or omits or will omit to state a material fact necessary to make representation or warranty and misleading.

SECTION 25: WAIVERS:

No waiver of any condition, requirement or right expressed in this Agreement shall be implied by any forbearance of the Employer to declare a default or failure to perform or to take any other action on account of the violation of such condition if such violation be continued or repeated.

SECTION 26: SEVERABILITY:

If for any reason any provision of the Agreement is, or becomes invalid, illegal or unenforceable or is declared by any Court of competent jurisdiction or any other instrumentation to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner and the Parties shall negotiate in good faith with a view to agreeing upon one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearby as possible. Failure to agree upon such provisions shall not be subject to dispute resolution under the Agreement or otherwise.

SECTION 27: SURVIVAL:

The termination of this Agreement shall not

(A) Relieve the Project Management Consultant or the Employer of any obligations hereunder which expressly or by implication survive Termination hereof.

(B) Except as otherwise provided in any provision of the Agreement expressly limiting the liability of either party shall not relieve either party of any obligations or liabilities for loss or damage to the other party arising out of or caused by acts of omissions of such Party prior to the effectiveness of such Termination or arising out of such Termination.

SECTION 28: NOTICES:

All notices to be given by either Party to the other in connection with rights and obligations of both Parties under or pertaining to this Agreement shall be sent by post, e-mail only.
