

# Bringing Large Baggage to the Expo Site

## For visitors' enjoyment, safety, and security

In order to maintain order, safety, and security, suitcases, carry-on cases, and carts are not permitted at the Expo site.

**Baggage with wheels are prohibited, regardless of size.**

**Baggage  
with wheels are  
prohibited**

\*Medically necessary equipment such as mobility aids, portable oxygen tanks, etc. are permitted

The Association has set up temporary storage facilities for large baggage and other items (cost: JPY ¥1,000/item) off-site at Bentencho and Sakurajima Stations. A delivery service for large baggage (cost: from JPY ¥ 1,500/item) to accommodation and other locations is also available there.

### Size of baggage that can be brought into the venue

**W600mm × D900mm × H400mm**

The size limit is based on the maximum size that can be inspected by the X-ray inspection equipment.

Only small coin lockers (W330mm x D500mm x H240mm) are available at the Expo site. Around 300 lockers are available at each of the East and West Gates, so please use them to store your personal belongings.

The large baggage storage services at the East and West Gates of the Expo site have space for only 100 items each (cost: JPY ¥10,000/piece). Please note that the number of items that can be stored at the venue is limited due to space restriction. It is highly recommended that you drop off your baggage prior to coming to the Expo site.

**Your cooperation is appreciated so that  
all visitors can enjoy Expo 2025 Osaka, Kansai, Japan.**
